WEEKEND IN ITALY APP

— THE FREE APP FOR THE —
— INDEPENDENT TRAVELER —

Weekend in Italy presents an **innovative App** that allows you to manage your independent travels in Italy.

Our App combines **art, shopping, museum,** and **dining information** in one easy to use place. You'll find the best restaurants, stores, and artisanal workshops. Above all, the App allows you to secure your **tickets to the magnificent monuments and museums of Italy.**

Tickets are available immediately so you can **skip long lines** for the **best prices** available on the Internet.

AGENDA

A **calendar with all events and exhibitions** is your companion while in the city you're visiting. You can **customize your travel agenda** based on your interests and suggestions from the Weekend in Italy team.

You'll receive all the news on your mobile phone via daily push notifications.

ITINERARIES

With the App, you can easily create your **individual itineraries** through the most important Italian cities and **personalize them based on your taste and interests** - from the most popular museums to the most interesting monuments and stores.

Your other option is to rely on itineraries created by the **team of experts of Weekend in Italy.** These include itineraries for romantic holidays, first and second visits to a city, and visits with children.

ON DEMAND TOURS

Our **on-demand tours** allow you to access unique Italian attractions with a guide.

You will receive alerts every time an on-demand tour is available near your location.

You'll be able to navigate the following activities on the map:
